# CANCER IMAGING & SCREENING SYMPOSIUM

Advancing Early Detection and Precision Diagnosis

Organized by  
**American Mission Hospital**  
With the support of  
**Doctors Logistics Solutions**

**25TH OCT 2025**

**9.00AM-3.00PM**

**KHAMH AUDITORIUM,  
GROUND FLOOR**

# ORGANIZING COMMITTEE

**Dr. George Cheriyan**  
Corporate CEO & CMO - AMH

**Dr. Deepak Abraham**  
Chief of Medical Staff - AMH

**Dr. Tejal Shah**  
Consultant Radiologist  
Body and Onco Imaging Specialist - AMH

**Mr. Peter Kennedy**  
Chief Operating Officer - AMH

# MAIN SPEAKERS

**Dr. Tejal Shah**  
Consultant Radiologist

**Dr. Roberta Louise**  
Consultant Radiologist

**Dr. Adnan Taleb Al-Samarah**  
Consultant in Neuroradiology

**Dr. Tarek M. Hegazi**  
MBBS, FRCPC, DABR  
Chairman - Department of  
Radiology

**Dr. Hassan Alzahrani**  
Radiologist Abdominal Imaging

**Dr. Osamah Jobran**  
Diagnostic Radiology

**Dr. Mohamed Ramadan**  
Senior Consultant  
Interventional Radiologist

# SPEAKERS PROFILES

“ Dr. **Tejal Shah** is a Consultant Radiologist specializing in Body and Onco Imaging in the Department of Radiology. She completed her fellowship in Body Imaging at UC San Diego, USA, and holds an MD in Radiodiagnosis & Imaging as well as an MBBS degree. Dr. Shah is an active member of the Society of Oncology Imaging (India), the Indian Radiological Imaging Association, the Indian Medical Association, and the European Society of Radiology.”

“ Dr. **Roberta Louise Luzes** is a Consultant Radiologist with advanced training in neuroradiology. She earned her MD from the Federal University of Alagoas in Brazil, followed by a medical residency in Clinical Radiology and Diagnostic Imaging at Mandaqui Hospital in São Paulo. She further specialized in Neuroradiology at the Federal University of São Paulo, enhancing her expertise in advanced diagnostic imaging.”

“ Dr. **Adnan Taleb Al-Samarah** is a Consultant in neuroradiology and head and neck imaging at Imam Abdulrahman Bin Faisal University in Dammam, Saudi Arabia. He earned his MBBS from King Faisal University and completed his radiology residency at the University of Dammam. He holds fellowships in diagnostic radiology as well as neuroradiology and PET imaging from Zurich University Hospital.”

“ Dr. **Hassan Alzahrani** is a radiologist specializing in [Abdominal Imaging]. He earned his medical degree from King Saud University and completed his residency at King Abdulaziz Medical City for National Guard. With Research and Clinical Fellowship in Abdominal Imaging from University of Toronto. Dr. Alzahrani is actively involved in scientific activities and continues to advance the field of radiology through both practice and research.”

“ **Dr. Tarek M. Hegazi**, MBBS, FRCPC, DABR, is the Chairman of the Department of Radiology at Imam Abdulrahman Bin Faisal University, Saudi Arabia. He is a consultant in musculoskeletal radiology, body MRI, and interventional imaging, with fellowship training from Harvard University and Thomas Jefferson University. A prolific researcher and published author, Dr. Hegazi has contributed extensively to musculoskeletal imaging, sports injuries, and advanced MRI applications. He is also an active educator, speaker, and member of leading international radiology societies. ”

“ **Dr. Osamah Jobran Refai** is an Assistant Professor of Diagnostic Radiology and Body Imaging Consultant at King Fahd University Hospital, Imam Abdulrahman Bin Faisal University, Saudi Arabia. He earned his MBBS from the University of Dammam and subsequently completed the Saudi Board and Fellowship in Diagnostic Radiology, followed by a Saudi Fellowship in Body Imaging and Non-Vascular Intervention. Dr. Refai has a strong academic background, combining clinical expertise with teaching and research, and currently serves as Program Director for the Saudi Board Program of Diagnostic Radiology. ”

“ **Dr. Mohamed Ramadan Elazomy** is a Senior Consultant Interventional Radiologist at King Fahd University Hospital and Adjunct Assistant Professor at Imam Abdulrahman Bin Faisal University, Saudi Arabia. With over 12 years of experience in advanced image-guided vascular and nonvascular procedures, he holds multiple prestigious qualifications including the Fellowship of the Royal College of Radiologists (UK), the Egyptian Fellowship of Interventional Radiology, and the Arab Board of Radiology.

Dr. Elazomy has an extensive track record in both clinical practice and academic teaching, with recognized contributions to the training of future radiologists and the advancement of interventional radiology across the region. ”

# SCIENTIFIC PROGRAM

<b>TIME</b>	<b>TOPIC</b>	<b>SPEAKER</b>
<b>08:30 - 09:00</b>	<b>On-Site Registration</b>	
<b>09:00 - 09:05</b>	<b>Welcome Speech</b>	<b>Dr. George Cheriyan</b>
<b>09:05 - 09:10</b>	<b>American Mission Hospital Strategy in Cancer Screening</b>	<b>Dr. Deepak Abraham</b>
<b>09:10 - 09:20</b>	<b>Role of Imaging in Cancer Prevention</b>	<b>Dr. Tejal Shah</b>
<b>09:20 - 09:40</b>	<b>Imaging of Bone Marrow</b>	<b>Dr. Tareq Higazi</b>
<b>09:40 - 10:00</b>	<b>Breast Imaging</b>	<b>Dr. Roberta Louise</b>
<b>10:00 - 10:20</b>	<b>Discussion</b>	
<b>10:20 - 10:30</b>	<b>Coffee Break</b>	
<b>10:30 - 10:50</b>	<b>Current and Future Imaging of Colorectal Cancer</b>	<b>Dr. Hassan Alzahrani</b>
<b>10:50 - 11:10</b>	<b>Thyroid Nodules When to do FNA</b>	<b>Dr. Adnan Samara</b>
<b>11:10 - 11:30</b>	<b>Prostate Imaging: Defining the Radiologist's Role</b>	<b>Dr. Osamah Refai</b>
<b>11:30 - 11:50</b>	<b>From Biopsy to Therapy: Interventional Radiology in Cancer</b>	<b>Dr. Mohamed Elazomy</b>
<b>11:50 - 12:10</b>	<b>Discussion</b>	
<b>14:00 - 14:15</b>	<b>Closing and Recognition</b>	
<b>14:15</b>	<b>Lunch Break</b>
